LEGATO METROPOLITAN DISTRICT NOS. 1-7

DISTRICT TECHNOLOGY ACCESSIBILTY STATEMENT

Legato Metropolitan District Nos. 1-7 (the "**Districts**") are committed to providing equitable digital access to the public.

The Districts' ongoing accessibility effort works towards compliance with the Web Content Accessibility Guidelines (WCAG) version 2.1, level AA criteria. These guidelines not only help make technology accessible to users with sensory, cognitive and mobility disabilities, but ultimately to all users, regardless of ability.

The District' efforts are part of a meaningful change in making the Districts' digital services inclusive and accessible. We welcome comments on how to improve our technology's accessibility for users with disabilities and for requests for accommodations to any District services.

Feedback and support

We welcome feedback about the accessibility of the Districts' online services. Please let us know if you encounter accessibility barriers. The Districts will acknowledge receipt of accommodation requests or feedback within five (5) business days.
